Dr. P. Vishwanath (President of the event),
Prof. Vijayendra Kukanur (IIC coordinator)

Prof Vijayendra Kukanur welcoming the chief guest

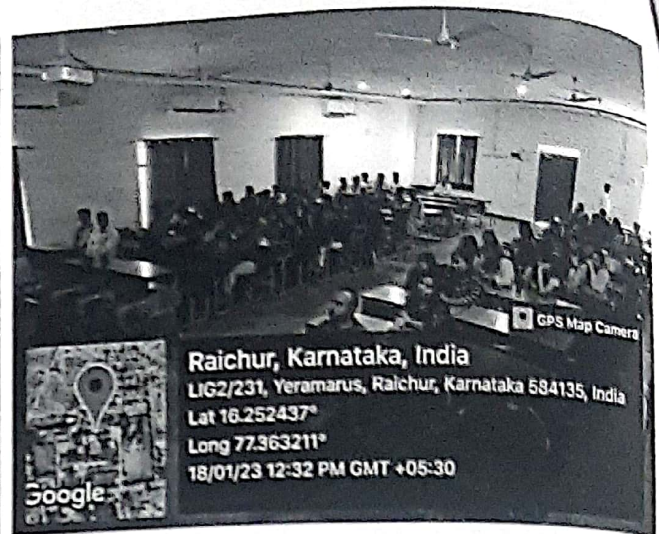

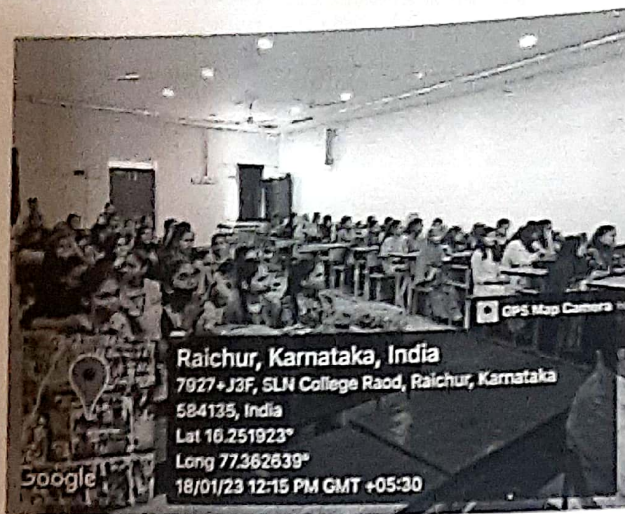

The speaker gave an insight on how to file a patent, how to protect our work, how to make money out of it. His talk also emphasized on how small things like paper clips, paper weights, coca cola can top were being patented. Lastly he concluded the session with a note to students quoting "No work is small, until it is brought forward and protected".

As part of questionnaire, the speaker conducted a quiz at the end of his session.

Lastly Prof. Vijayendra Kukanur proposed vote of thanks and concluded the event by capturing a group photo of participants as part of memory.

The target audience were students from departments of CSE, ECE, CV and Mechanical.

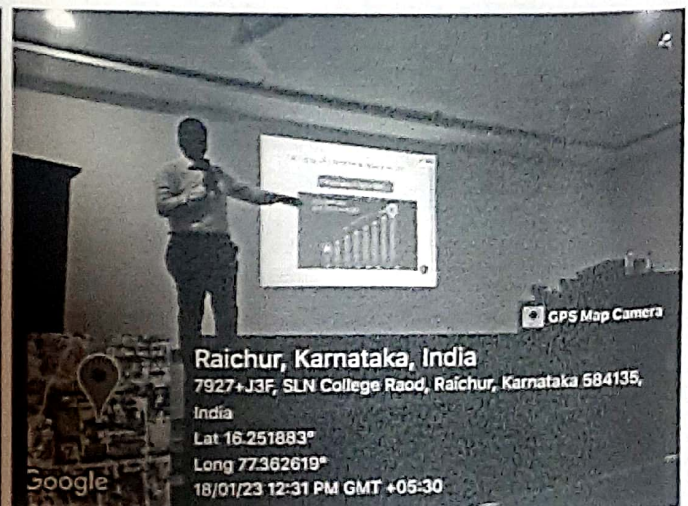

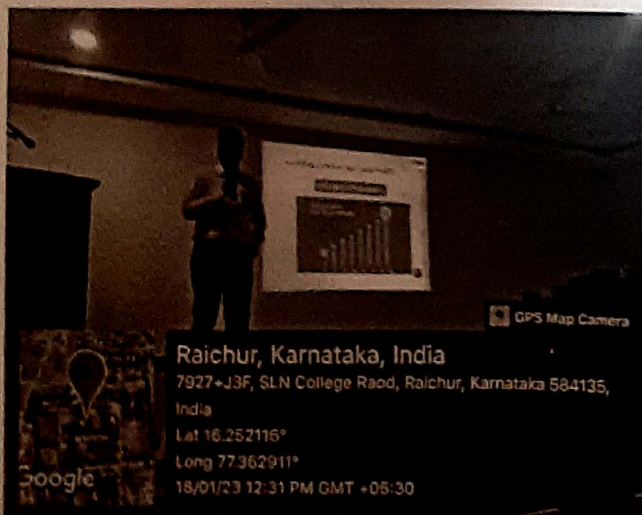

Event Audience

The chief Guest was felicitated by the president of event along with the members of IIC.

Later the session was taken over by Dr. Sharana Gouda.
